

Chipper, PTO - Model 6210

10" Capacity

The Model 6210 is a 10" capacity gravity feed chipper with a large 10" x 14" infeed opening. Clear debris curtain strips, help protect the user from fly back of material. This unit utilizes 1/2" thick x 5-1/2" long, double edge chip blades and a 1/2" thick, reversible, sharpenable, and replaceable bed knife, for consistent chip size and chipping capabilities of even those small viney, stringy, messy jobs! 360° exhaust chute, and east adjust exhaust flap. No tools required to adjust either one.

Only 35HP Required @ the PTO!

(9) 1/2" thick, double-sided, chip blades, segmented into 3-knife pockets. Easy access to blades through 1/2" thick steel impeller housing. 1" thick x 42" diameter impeller, with 3-welded and gusseted paddles for better chip discharge and air-flow, 410 LBS.

4-Bolt, cast iron, self aligning, greaseable bearings! Replaceable, sharpenable, adjustable steel bed knife!

Extra large 10" x 14" infeed opening means less pruning and trimming! Debris curtains help protect operator from fly back of material.

Quality of Workmanship, Innovative Design, Built to Last!
